

**Barrell Infinite Barrel
Project (Feb. 12
2018), 59.65%**

With smoke and oak, this starts off so intense with pepper spices, peat, dried apricot, hard candies, caramel-covered apples, salted butter, pecan shell, and strawberry jam. Leather, tobacco, and baking spices begin the descent toward a medium, slightly bitter finish. If you like trying new things, this is an American cadre of flavors unlike anything out there. (Bottled on February 12, 2018)
