BATCH 005

Toasted cornbread with dollops of whipped sweet cream and stone fruit preserves greet each sip. Magnificent swirls of fresh picked cherries and spicy, bittersweet hot chocolate amble across the back of the tongue. The broad-brush strokes of cinnamon-laced apple butter pensively reveal crushed pink peppercorns. A mere prickle from the 124.7 proof alcohol leads head over heels into the lengthy finish redolent of fresh corn on the cob dressed in salted butter.
