Barrell (Batch 21)

53.17%, \$90

Sweet and toasty aromas, like a coconut macaroon, are balanced with bright green apple in this showstopper of a bourbon.

Secondary notes include alluring five-spice, cigar box, and dark cherry fruit. The flavors really fulfill expectations, as toasty notes of brown butter meet delicate spice, candied peanuts, and grilled peaches. But wait for the finish! A cascade of gingery and peppery spices, grilled peaches, and pecan descend in perfect harmony. A multifaceted bourbon that is as intriguing as it is delicious. *Editors' Choice*
