BARRELL CRAFT SPIRITS BOURBON

Barrell Craft Spirits Gold Label Bourbon is a blend of straight bourbons aged up to 18 years. Barrels for this release were selected from four different collections: barrels with rich cherry and nutty notes, spicy tropical fruit-forward barrels, barrels with pronounced herbal and dark chocolate notes, and barrels with oak-forward coconut notes. The last group underwent a secondary maturation in toasted virgin American oak casks before being added to this intricate and seductive blend. Beneath the bright and concentrated esters lies a rich and creamy heart of maple walnut ice cream and a firm oaky backbone.
