NEW YEAR

NEW YEAR 2022

New Year. New beginnings. New traditions. Every autumn, we create a very special blend of bourbons as a toast to the year to come. During the busiest time of year, making New Year Bourbon gives us an opportunity to reconnect with the pillars of our brand, celebrate the inherent creativity of our blending process, and rededicate ourselves to our forward-thinking, quality-driven line of spirits. Barrell New Year Bourbon 2022 is a tribute to the fresh possibilities and sense of renewal that every new year brings. After the last two years, we're also feeling particularly grateful for the amazing community of friends and partners that has supported Barrell Craft Spirits.
