BARRELL BOURBON®

BATCH 026

Barrell Bourbon Batch 026 was created by combining 9, 10, 11, 13 and 15-year-old barrels in several blending steps. The first was a fusion of 9-year-old high rye barrels peppery and pointed on the palate, 10-year-old oak forward barrels, and sweet, toasty 11-year-old barrels for mouthfeel and classic baking spice notes. The second balanced citrus forward 10, 12 and 15-year-old barrels with spicy, floral 9-year-old high rye barrels. These two blends were gradually co-mingled resulting in an intriguing bourbon that dances between fruit and spice long into its finish.
