

BARRELL CRAFT SPIRITS BOURBON

This release of Gray Label Bourbon is constructed from bourbons of varying ages made from five different mash bills. After marrying, the blend goes into casks made using 36-month air-dried staves that previously held Gray Label Bourbon, to rest and further mature. The result of mingling in these unique casks is a mellow, sophisticated spirit that concentrates the flavor of a higher-proof bourbon into a lower-proof blend, with a gentle oxidative character and deep dried fruit notes.
